MR. S. J. NAIR (*Nedumangad*): From the statement placed before us in answer to part (*e*) I find that "of the 7 applications relating to 1107, two were returned six times each, one thrice, another twice, and three once each by the Dewan Peishkar to the Tahsildar for further report, while of the 4 applications relating to 1108 one was similarly returned twice and three once each." May I know why such returns and re-returns took place?

RAO SAHIB DR. N. KUNJAN PILLAI (*Ag. Land Revenue and Income Tax Commissioner*): I have not got the files before me; they must have been returned to cure various defects.

MR. S. J. NAIR (*Nedumangad*): May I know whether these applications have been returned and re-returned several time on several occasions, for several objections?

RAO SAHIB DR. N. KUNJAN PILLAI (*Ag. Land Revenue and Income Tax Commissioner*): Sir I claim notice to that question. I have not got the files before me; they are all in the Taluk or Division Offices.

MR. S. J. NAIR (*Nedumangad*): May I know why there is disparity between the actual allotment and the amount actually given as loan?

LIBRARY ARCHIVES Kerala Legislative Assembly

RAO SAHIB DR. N. KUNJAN PILLAI (*Ag. Land Revenue and Income Tax Commissioner*) : It is certainly not possible to grant loans to all the applicants. Certain conditions have to be satisfied before loans can be granted. Disparity is probably due to want of sufficient applications or to the applications not satisfying the condition laid down for granting the loans.

MR. S. J. NAIR (*Nedumangad*) : May I know whether, in the Nedumangad taluk, the majority of the applicants who actually got the loans were *bona fide* cultivators resident in Nedumangad ?

RAO SAHIB DR. N. KUNJAN PILLAI (*Ag. Land Revenue and Income Tax Commissioner*) : I have no idea. I claim notice.

Government District Dispensary at Vamanapuram.

73. ***MR. S. J. NAIR** (*Nedumangad*) : Will the Government be pleased to state :

(*a*) the date on which the dispensary at Vamanapuram was opened ;

(*b*) the average number of patients that daily attend the dispensary ;

(*c*) the total number of patients that attended the dispensary till the end of Mithunam 1108 M. E., ;

(*d*) the total number of labour cases alone that the medical officer there had to attend ;

(*e*) whether there is sufficient accommodation in the dispensary building to be used as consultation room, office room, store room, patients' waiting room etc., and

(*f*) if the answer to the above question is in the negative, what provision the Government propose to make ?

MR. K. GEORGE (*Chief Secretary to Government*) :

(*a*) 22nd Medom 1108.
(*b*) 68·44
(*c*) 5005
(*d*) 6.
(*e*) No.

(*f*) The Chief Engineer has been asked to make certain repairs and to convert one out-house into an inpatient ward. There was an understanding that the people of the locality would provide additional accommodation at their cost but nothing has yet been done by them in the matter.

MR. S. J. NAIR (*Nedumangad*) : May I know whether there was any undertaking by the people, in writing or orally, that they will provide additional accommodation for the dispensary ?

MR. K. GEORGE (*Chief Secretary to Government*) : That is what the Durbar Physician says

It is seen that, in a letter sent by the member himself to Dr. Slater he has said that he would persuade the people to construct a building to accommodate about a dozen in-patients and to furnish it at their cost.
